RULES FOR JUNIOR COMPETITIONS

JUNIOR LEAGUE CHAMPIONSHIP

All matches shall be played from a difference of full handicap. Girls shall play from a full handicap plus the full difference in Standard Scratch between the Gentlemen's and Ladies' cards.

The competition shall be open to all Member Clubs, who shall notify the Secretary of the Union of their intention to either enter or withdraw a team before 30th September each year. The Competition Committee shall decide the number of divisions which shall comprise the League, and each club team shall be represented by 4 players, one of whom shall be nominated as Team Captain. Players shall be under the age of 18 on the 1st day of January to be eligible to play in the ensuing season, and shall represent only one club in any one season. At the end of each season the top two teams in each division except the first division, shall be promoted to the next division above; the bottom two teams in each division except the last division shall be relegated to the next division below.

Matches shall be played in the respective divisions on a home and away basis over 18 holes, the first three players playing off a maximum handicap of 18, with the fourth player playing off a maximum handicap of 24. Scoring shall be 2 points for a win and 1 point for a half. In the event of a tie on points at the end of a season, final placing in the League shall be decided by the number of individual games won by a club. Should there still be a tie, final placings shall be decided by the highest winning margins in individual games. Matches **MUST** be played during the appropriate weekend in accordance with the published fixture list, but in any event must be completed by 11.00 pm on the Monday evening following the weekend of the fixture. In the event of any club being unable to play a match in the allotted timescales, the match and points will be awarded to their opponents'.

It is the responsibility of each competing team to report the match score to the Junior League Organiser by post no later than the Wednesday following the scheduled date of the match. All scores **MUST** also be entered (when operational) on to the website

In the event of bad weather and/or the condition of the course, a match shall be postponed by a decision of the Junior Organisers, provided that play has not commenced in any individual game. Should any or all games have commenced, suspension of such games shall be subject to Rule 6-8 of the Rules of Golf, and play shall recommence at the place it was suspended.

A postponed match shall be played within 7 days of an agreed date, or failing agreement, on a date decided by the Union's Junior Organiser. Players in a postponed match need not be those who were originally selected.

For suspended games in a match which has been rearranged the players shall be those involved at the time of suspension. Such rearranged games shall take place within 7 days on an agreed date, with all games to be played on the same day. A player who cannot resume a suspended game shall forfeit the points.

The pairings for a match shall be made in handicap order, and it is the duty of the home club Junior Organiser to provide the visiting team players with a scorecard and local rules of the course.

A player who fails to present himself for a match at the arranged time shall forfeit the points to his opponent.

A Championship Trophy shall be presented to the winning club in each division, and they shall receive a plaque as a permanent memento.

TEAM CHAMPIONSHIP

The competition shall be for teams of four players, each whom shall be under the age of 18 on the 1st day of January, and shall be decided over 18 holes strokeplay from handicap, with the best three scores of each team to count. In the event of a tie the fourth score shall be taken into account. Each Member Club with a team in the Junior League shall have a team entered, unless the club notify the Junior Secretary to the contrary prior to the start of the season. The Championship Trophy shall be presented to the winning club, and mementos shall be awarded to the four players in the winning team. Other prizes shall be awarded.

BOYS MATCHPLAY CHAMPIONSHIP

The matches in each round shall be 18 holes matchplay from scratch. Entry shall be restricted to boys who hold handicaps of 16 or less at the date of entry, and who are under 18 years on the 1st day of January. The Competition Committee shall determine the dates for each match, which shall be played on the greens of the players drawn first, except for the semi-finals and final, which shall be played on neutral greens as determined by the Competition Committee.

In the event of a tie after 18 holes, the players shall proceed without break to the first tee and continue until one player wins a hole. If such a play-off cannot proceed owing to bad light or weather then, subject to a ruling by the Competition Committee, a sudden death player-off shall be arranged on another date. Arrangements for a match shall be made by the first named player in the draw, who shall offer his opponent 3 separate dates in separate weeks upon which to play. If agreement cannot be reached, the match shall be awarded to the player present on the first tee at the appointed course on the last date for the round at 6.00pm. The winning player of each match is responsible for notifying the result to the Competition Secretary on the day of play, but not later than 10.00pm on the last day available for completion of the round. Should the notification not be received by that time, the tie shall be declared null and void and both players shall be eliminated. The Championship Trophy shall be presented to the winner. Other prizes shall be awarded.

The competition shall be open to all boys of Member Clubs who are under the age of 18 years on the 1st day of January.
